

# Primary News

Tuesday, April 20, 2010

Dear Primary Parents,

This week is the first week of testing for our second graders. They will be taking the Language Arts test in three sections on Tuesday, Wednesday, and Thursday mornings this week, from 9:00 to no later than 10:30 a.m. Next week they will take the Math test in three sections on the same three days.

Please note the reminders below:

## Testing Week Reminders

- All children need to arrive on time at 8:45 a.m.
- Make sure your child gets a good night's sleep.
- Before testing, children should eat a healthy breakfast, preferably with some protein.
- Send a healthy snack for after testing—they'll be burning lots of calories!
  
- We need as many parents as possible to help with the youngers in the cafeteria during the testing. The more parents there are to help the children, the easier it is for everyone. Whether you are a parent of an older or a younger, please see our department sign-up sheet in Cathie's room to find out on which days we still need help!

THANK YOU!!!

Homework continues to be math and the 3-D Word Wall projects. There is no Language Arts or testing practice homework because we want you to have time to work on the 3-D Word Wall project with your child. The projects have begun to come in! We are enjoying hearing each child share their work and their learning.

Love,

Laura,

Cathie,

and Jess
