INCOMING KINDERGARTENERS

PRIORITY ENROLLMENT FOR SIBLINGS

If you have a little one who will start kindergarten in the Fall of this year, please make sure you have stopped by the school office no later than this Friday, February 1, 2019 to fill out a green interest form, making sure to indicate that your child is a sibling of a current student. Siblings of current students have first priority for kinder enrollment. But please don't delay! **ALL incoming kinders (siblings of current students and new families) must have a green interest form completed and turned in to the office by February 1, 2019.**

NEW FOP FAMILIES

Word of mouth is the very best way to advertise our school, so please tell others about FOP! Any families interested in FOP should stop by the school office by February 1, 2019 to complete an interest card, schedule a tour and learn about requirements and deadlines.

REMIND TEXTING ISSUE

PROBLEM SOLVED!

Thanks to the voices of thousands of students, parents, teachers and school administrators around the country, Verizon Wireless has reversed the extra fee it was going to charge Remind for sending messages to Verizon customers. There will be no interruption of text messages for Verizon customers. If you already installed the smartphone app, you may either keep it (some prefer the app) or delete it (some prefer text messages). Contact Lori Paul (209-988-9088) with questions.

A MESSAGE FROM VIVIEN

Dear Open Plan Family and Friends,
After almost 28 years of teaching at Fremont and Fremont Open Plan, I have made the decision to retire. I've decided that I need to devote more time to my parents and my grandchildren. My official retirement date is June 1. Retiring is a difficult decision as I can't think of anywhere else I'd rather teach. The teacher that replaces me will be lucky indeed to be involved with Open Plan. Open Plan is a wonderful community and I feel very fortunate to have been part of it all these years.

Thank you Open Plan for all your dedication and support.

Love,

Vivien

LOCATION, LOCATION, LOCATION HAVE YOU NOTICED THE CHANGES?

Over winter break, some things were rearranged in the school's main corridor and offices. The copiers that parents have access to are now located directly across from the office. Some administrative staff have also moved. If you're unable to locate someone or something, please don't hesitate to ask!
